OPEN EVENT

THURSDAY 15TH OCTOBER

BURY COLLEGE

Four steps to make the most of your visit:

STEP 1

On arrival, check-in at either Millennium or Woodbury Centre.

STEP 2

Use this Guide to plan the subject areas that you want to visit:

Campus map: page 13-15
Course listings: pages 3-10

Ask one of our friendly team in hi-vis jackets if you need any help.

STEP 3

Attend a Presentation (details on page 2).

STEP 4

Talk to our Support Services (see page 10).

WELCOME TO BURY COLLEGE

We are delighted to welcome you to Bury College. This is a great opportunity for you to view our fantastic facilities, explore your options and meet our inspiring tutors.

Over the next few pages you will find details about where each subject is located, a campus map (page 13), plus additional useful information. If you have any questions please feel free to ask our friendly staff or Student Ambassadors who will be happy to help.

Following your visit, should you require further information about your options, or support completing your application, please visit our website, or email: **admissions@burycollege.ac.uk** or call **0161 280 8200**.

Thank you for visiting Bury College.

*These subjects are an A Level equivalent and are taken as part of an A Level Study Programme

V LEVELS

From September 2027 students will be able to mix V Levels with their A Levels. V Levels have been designed to provide students with more applied skills for careers in areas like digital, finance, or education, letting you explore a career area before fully specialising when you leave College. Scan the QR code to visit our website for more information.

T LEVELS

Our T Level subjects are located in specialist rooms across campus. Please see the table below for the location of each subject, the map on page 13 will help you locate the relevant Centre.

Subject	Map ref. page 13	Where

T-LEVELS

THE NEXT LEVEL QUALIFICATION

WHAT IS A T LEVEL?

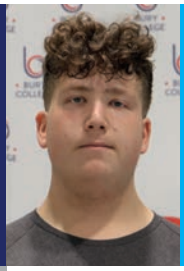
- A T Level is a highly technical qualification which is equivalent to three A Levels, and so is a pathway to university
- T Levels combine classroom learning (80%) with on-the-job work experience (20%)
- Students complete a minimum 45 day industry placement to gain experience in a real workplace setting

WHO IS A T LEVEL RIGHT FOR?

- Those who want to gain workplace experience alongside their learning
- Those who want to pursue a high-quality technical route into skilled employment, further study, or a higher/degree apprenticeship

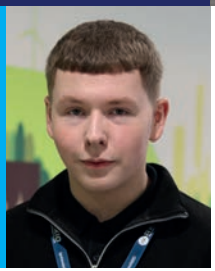
WHERE CAN A T LEVEL TAKE ME?

Ciara studied T Level Health: Supporting the Adult Nursing Team, and progressed to the University of Manchester to continue studying Adult Nursing.



Joseph studied T Level Mechanical Engineering, and progressed to a Nuclear Engineering Degree Apprenticeship at Rolls-Royce.

Carson studied T Level Management and Administration, and secured a permanent position after his placement at LGC.



Find out more about our T Levels here.

CONVERSATION STARTERS

Use these conversation starters to help you find out the most about life at Bury College.

Starting College

- What will my first few weeks of College look like?
- What help will there be to help me find my way around campus?
- What do I need to do to help me prepare for life at College?

Where can this course take me in the future?

- What options will I have once I finish this course? (e.g. finding a job, university, an apprenticeship)
- Are there opportunities on the course to gain work experience?

About lessons and learning

- What does a typical day on this course look like?
- How many hours per week will I be in lessons?
- What do the lessons normally look like?
- How much learning will I do in College vs. studying at home?

About teachers and support

- What support is available if I'm struggling with my work?
- Who would I speak to if I needed help with my studies or wellbeing?
- What additional support exists from tutors outside of lesson time?

About life at Bury College

- What is there to do on my breaks throughout the day?
- Are there any clubs, activities, or social events that I can get involved in?
- Where on campus can I go to eat?

About facilities and resources

- What facilities will I use on my course?
- Are there quiet spaces to study or work during my breaks?
