APPRENTICESHIPS
AND TRAINING

February 2022

Upskill your staff with the latest apprenticeship training.

Bury College is proud to offer local businesses the opportunity to develop and up-skill their workforce with a variety of apprenticeship programmes.

Apprentices are supported by experienced Learning and Skills Coaches, equipped with the latest industry skills and knowledge. Coaches can help you identify skills shortages, assess your training needs, access funding opportunities, and create a professional development package.

EMPLOYER TESTIMONIES

“Hiring apprentices means that our staff have an opportunity to be role models and share their wealth of experience whilst further enhancing their own professional development. Bury College has supported the apprentices with their underpinning knowledge and has kept us well informed and up to date with their progress.”

Martine Lazarus, Manager at Habonim Nursery

“Investing in an apprentice has been hugely successful for our business. We have found that it helps to reinforce the team knowledge when an apprentice needs clarity on an issue. Our Learning and Skills Coach assigned by Bury College has been helpful and incredibly supportive in guiding us as a business to get the best for our apprentices.”

Scott Davenport, Manager at Davenport Group

“The apprenticeship programme has been a great opportunity to enhance our staff ratios, which in turn provides a better quality service and motivates staff. Bury College have offered great support and communication.”

Susan Hodgkiss, Manager at Scallywags Pre-school
