

Open Event School Resource Pack – 7th & 16th October **2025**

Our upcoming Open Events are the perfect opportunity for pupils to explore the Bury College campus, meet our tutors, and discover the wide range of opportunities available to them.

These events are particularly valuable for Year 11 pupils as they consider their next steps after school, as well as for Year 10 pupils who are beginning to plan for the future.

Open Events provide the best way for students to experience life at Bury College first-hand. We'd greatly appreciate your support in promoting these events by using the resources in this pack to encourage your students to attend and start exploring their next steps.

In this pack you will find:

- Social posts to be shared on your social media channels.
- An email to be shared with parents.
- A note to be shared in assembly.
- A visual that can be shared on the school's TV screens.
- An insert for the school newsletter.
