## 1. Introduction & Purpose

To ensure the safety of all College staff, students, and visitors and on site contractors, as well as the College property, grounds and equipment, by outlining the process that all individuals who visit the College campus or buildings should follow.

The college understands it has a duty of care, so far as is reasonably practicable, to ensure the health, safety, welfare and security of all its staff and students and this duty incorporates the duty of safeguarding all students from subjection to any form of harm, abuse or nuisance.

The college will welcome all visitors, including parents, guardians and all others, in a friendly and professional manner. Visitors are expected to comply with the following procedures, failure to do so may result in the escorted departure from the College premises.

All visitors to the College buildings must be informed of the Emergency procedures and Accident Reporting procedures on arrival.

The College has a No Smoking Policy in all its buildings, this includes the use of Electronic Cigarettes and Vaping devices. Smoking and Vaping is not permitted anywhere on site.

**Note:** This document relates to normal College learning/teaching days and not during an organised event where visitors to the College will be permitted on site with limited supervision. These visitors will be monitored and coordinated by event staff.

## 2. Definitions

**Visitor** – an individual who has, on occasion, a need to visit a College campus and is not normally employed, studying or working for a third party on behalf of the college.

**College** – any building or centre that is part of, owned or leased by Bury College where an individual may wish to visit.

## 3. Implementation

These procedures should be read by all staff and adhered to by staff, students, contractors and visitors to the College.

This document must be reviewed and authorised by SLT and implemented accordingly to ensure all staff are made aware of its contents and that they have read and understood it.

## 4. Responsibilities

### 4.1 College staff or representative expecting a visitor

- Ensure that appropriate instructions are provided to the visitor(s) prior to their arrival at the College. Including, report to the relevant Reception area where they will be asked to sign in, read the visitor information (displayed on the reverse side of their visitor pass, or on nearby poster, **Appendix A and B**) and ask for whoever they are here to visit.
- Ensure that you have informed Reception staff of expected visitors and if necessary, arrange any parking requirements.
- Ensure that the visitor has obtained a visitor pass and wears it on College grounds for the duration of their visit.
- Assist the visitor with any emergency responses or assistance they require, and ensure they receive relevant treatment if involved in an incident or accident. Report/record the incident on an accident report form.
- In the event of a fire alarm activation, escort the visitor(s) to the designated assembly point.
- Ensure that the visitor is accompanied at all times whilst on site.
- Escort visitor(s) back to reception and that they have signed out on the conclusion of their visit and handed in their visitors pass prior to leaving the building.

## 4.2 Reception Staff
