

Hair & Beauty Level 1

Key Information

There is a dress code comprising of an all-black uniform. Students must look professional to reflect an industry setting. Therefore, jeans, leggings, trainers/sport shoes and hoodies are not permitted. Students can purchase their own clothing items, it is expected that students will have the correct items of clothing within 6 weeks of the course starting. This will be discussed further during your enrolment appointment.

Students do not need to purchase any equipment as this will be provided to you as part of the course.

Financial Support

In certain circumstances, the college can provide financial assistance for purchasing kit and/or equipment resources through the Financial Support Schemes – details of which are included in the enrolment pack. If you have any further questions regarding the financial support available, please enquire with Student Services to discuss further. Student Services will also be available to speak to during enrolment.
