

REALISE YOUR AMBITIONS

Launch your career in the
exciting world of Business

Find the right course for you and achieve your aspirations

Our wide range of dynamic Business courses can prepare you for entry into the industry of your choice. Our dedicated and experienced tutors are here to support you every step of your journey to becoming a business professional.

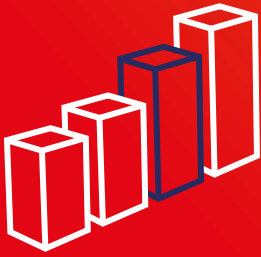

We offer courses from Level 1 up to degree level, with opportunities to progress academically, or directly into employment or an apprenticeship.

Our courses include:

- **Business Level 1**
An introduction to the business world
- **Business Level 2**
Learn the essentials of entrepreneurship
- **Business Level 3**
Gain in-depth knowledge of the principles of business

We also offer a BA Hons in Business Management at our University Centre, which you may progress onto once you have successfully completed your studies. This will be an opportunity for you to delve even deeper into the world of business, and to make sure you are fully equipped for a potential career in many exciting industries.

**Develop your
enterprise skills as
you run your own
business**

**Learn how to nurture
customer relationships
and market your
brand**

**Benefit from
studying Business
at Bury College**

**Gain knowledge from
real-life business case
studies and guest
speakers**

**Benefit from
industry placements
and work-related
trips and visits**
