If you're planning to study at Level 3
to 6 you may qualify for an Advanced
Learner Loan. These loans help you
to pay the fees charged by approved
colleges and training organisations
in England.

Key Information

- You may need to pay course fees if you are 19 or over and wish to study for a qualification at level 3 to 6.
- You may be eligible for a government-backed Advanced Learner Loan to pay for your course fee.
- The amount of money you can borrow depends on your course. The minimum amount you can borrow is £300.
- When applying for an Advanced Learner Loan, there is no credit check and household income isn't taken into account.
- Loan repayments are linked to what you earn when you've finished your course, not how much you borrowed.
- You only need to start paying back your Advanced Learner Loan when you are earning more than £27,295 per year. You pay back 9% of the money you earn over £27,295.
- If you're employed, loan repayments will be taken directly from your salary through the tax system.
- You can make voluntary repayments at any time.

- Before taking out any loan, you should consider all of your options. If you want advice on managing your finances, visit the Money Advice Service at: moneyadviceservice.org.uk for impartial advice.
