

Condition F1 - Transparency Information

Condition F1: The provider must provide to the Office for Students (OfS), and publish, in the manner and form specified by the OfS, the transparency information set out in section 9 of Higher Education and Research Act 2017.

The transparency information covers the number of students who attained a particular degree or other academic award, or a particular level of such an award, on completion of their course with the provider. In each case:

The data contained in the tables above have been rounded and suppressed as follows:

- Numerators and denominators have been rounded to the nearest 10. Where the numerator or denominator rounds to 20 or less, the data are suppressed with an “N”.
- “DP” indicates suppression for data protection reasons. This is applied where the numerator is two or less, or differs from the denominator by no more than two students.
